APPLICATION FOR PERCOLATION TEST

This form must be completed for each lot or parcel to be perc tested by a registered sanitarianor engineer and witnessed by the Russell Board of Health, whether for a repair to an existing facility or for new construction. This completed form or the WPA Form 1 – Request for Determination of Applicability (Massachusetts Wetlands Protection Act, M.G.L Chapter 131 § 40) must be furnished to the Russell Board of Health prior to the conducting of a soil evaluation and/or percolation test.

To be completed by the APPLICANT:	
	Map and Parcel Number
Property address and/or lot number	Name of Applicant/Owner
Date	Signature of Applicant/Owner
Applicant/Owner address	Applicant/Owner phone number
New construction (yes or no)	Repair to existing system (yes or no)

To be completed by the RUSSELL CONSERVATION COMMISSION:

_____ The above referenced property does contain areas which are subject to the Wetlands Protection Act and requires the filing of Request for Determination of Applicability.

The work described is not within an area subject to protection under the Act (including the buffer zone). Therefore said work does not require the filing of a Notice of intent, unless and until said work alters an area subject to protection under the Act.
